ambassador (am-bas-uh-der, -dawr)

a person who acts as a representative or promoter of a specified activity

Ambassadors are official representatives of the Affton-Lemay Chamber of Commerce that serve as volunteers on the "front-line" of our meetings & events. Help educate prospective members & guests, welcome new members, and facilitate networking. Committee attends Affton-Lemay Chamber events (meetings, ribbon cuttings, social hours, etc.) and a monthly committee meeting.

Here's why Jess Lepage, Nations Network joined the Ambassador committee:

"I joined the chamber to build deeper connections with business owners in the area where I live and sell real estate. Upon joining the chamber I was welcomed warmly and always felt invited and included in the many activities that the chamber has available. I decided to become an ambassador for the opportunity to welcome new members and help connect people with other members who they'd like to network with. We attend ribbon cuttings, plan after hour events, discuss social media engagement and pop into local businesses to invite them to join the chamber. It's just another level of getting to socialize with other like-minded business owners and those are the people that help my business grow!"

If you are interested in becoming an Ambassador, please contact Chair Amira Jahic or the Chamber office.
