# There's Strength in Numbers

*A medical plan that lets small businesses join together for more plan options and lower rates*

## **Say hello to the Chamber Benefit Plan.**

A multiple employer welfare arrangement (MEWA) designed for small businesses who are members of a qualified Chamber of Commerce, like ours.

When it comes to providing employees with cost-saving health care coverage, small businesses are at a big disadvantage compared to their larger counterparts. Because of their smaller size, their claims risk pool is spread out across a much smaller employee population. That can result in higher, less stable insurance rates — and fewer viable plan choices.

**Fortunately, there's a simple and affordable medical plan alternative. It's called the Chamber Benefit Plan and it's just one of the many advantages of joining our chamber.**

Powered by the Missouri Chamber Federation and administered by Anthem Blue Cross and Blue Shield, the Chamber Benefit Plan is available to small group employers in Missouri who have 2 to 50 eligible employees.

### **Advantages that make a real difference:**

- › Shared overall claims risk across a large pool
- › Competitive, medically underwritten rates
- › Fixed, predictable monthly payments
- › Choose from a variety of plan designs, including 10 PPO and three HSA options
- › Minimize the impact of ACA mandates while offering coverage to all eligible applicants, regardless of health status
- › Anthem's Blue Access, Blue Access Choice and Blue Preferred networks
- › Coverage for claims run-out/terminal liability coverage
- › Simple, streamlined administration
